PROJECTS

Project Name | Trails | kamara-moses.github.io/trails/

- Application that allows users to search for the top 5 trails in their region.
- Designed using HTML5, CSS3, JavaScript, jQuery and API.
- Deployed using GitHub pages.

EXPERIENCE

Shared Journeys Program Manager

2017-Present
Shoreline, WA

Tasked with the daily staff scheduling and ensuring all training requirements are up to date. Created a budget and financial plan to ensure my clients were having their financial needs met. Attending all client doctor appointments to convey the needs of the client to the doctors and implement all doctors orders for the client.

Key Accomplishments:

- Established good budgeting and financial practices that increased the financial status of all my clients.
- Re-designed the way documentation was completed and handled by individuals.
- Trained individual staff members who were in my team on their job duties.
- Cultivated a work environment that was inclusive and encouraged open lines of communication amongst all team members.
- Illustrated proper documentation in several areas.
- Demonstrated knowledge of my job responsibilities.
